

Eco-Palms – Stewardship & Justice

Environmentally and Socially Responsible Palms for the Easter Season

Why should my congregation buy eco-palms? Eco-palms are sustainably harvested and fairly traded. That means the money you spend on the palms is directly benefiting the communities where the palms are harvested. The extra nickel you spend per palm can send young girls to school, employ women, and build community centers.

The palms are also being harvested in an environmentally friendly way. These new harvesting practices ensure that the same quality palms you see today will be there for years to come. Purchasing these palms protects the forests they are grown in.
