

*Land and Water Use in the Eastern Himalayas  
Focus on Mizoram, India*

Special session added on  
Nepal's post-earthquake  
research needs  
Thursday afternoon  
May 28 from 1:00 – 2:30pm

*A research symposium with Mizoram University visiting faculty  
and University of Minnesota faculty and staff*

Thursday May 28 8:30am – 2:30pm

Friday May 29 8:30am – 12:30pm

*UMN faculty and staff have collaborated with the Mizoram state government and Mizoram University since 2012 on land and water use in northeastern India. Our interdisciplinary team will present research results on aspects of agroforestry, shifting cultivation, farming systems, socioeconomic dimensions, water supply, mycology, horticulture and other areas.*

Free event. Refreshments will be served.  
Saint Paul Student Center Theater
